

For more information on this story, visit the [Cambridge News website](#).

We would like to reassure anyone in Cambridge and Peterborough seeking IVF that we'll continue to offer services and support you.

If you're concerned about your options, or have any questions, please contact us on 01223 348010 or enquiries@cambridgeivf.org.uk.

If your GP have referred to you an NHS fertility clinic before 05 of September you'll be seen by a consultant and if deemed appropriate by the doctor, you will be assessed against the NHS IVF eligibility.

If you are unsure about advise given to any patient in the last week whilst we were awaiting this clarification, I would urge you to contact your patient and advise them accordingly.
